

Hamlet

Reception Homework: Spring 1.

by William Shakespeare

Log on to Tapestry and upload photos of your children learning or doing something amazing at home.

This term, our theme begins with Castles, leading into learning about the playwright William Shakespeare and one of his greatest plays: Hamlet.

You might want to make a castle at home with your family.
You could use junk modelling materials, for example old cardboard boxes. What features could you add to it? Would it have a moat?
When you have finished, bring it in to show us.

Phonics: RWI letter formation: keep practicing your letter formation. Go to the website to hear the sounds and much more.

www.ruthmiskin.com

Word time Words

Now you know the sounds, practice blending your sounds to read the words.
By reading these everyday you will soon be able to read them quickly on sight

Writing

Blend your sounds together to write words. How many words can you write using the sounds you know?
Can you create a rhyming string: lots of words that sound the same: cat, mat, rat
Can you write simple sentences: I can see a cat...: Play I Spy and write what you can see.
Use your home writing book to record your writing.

Spellings: You will receive these on a Monday and we will review on a Friday with the children.

Home Reading Book

Parents: Please remember to record that your child has been reading and how they are getting on. We love to hear your comments.

Books are changed on Mondays.

Bug Club

Log on to
<https://www.activelearnprimary.co.uk/>
A fun and interactive way to begin your reading journey.

Make sure you find the bugs and answer all the questions

Maths

There are lots of fun maths games to play at home on TopMarks.
<https://www.topmarks.co.uk>
Which one will be your favourite?

Practice your number formation in your home writing book. Can you write number sentences? $1+1=2$, $2+2=4$, $3+3=6$, $4+4=8$, $5+5=10$
