

May 2017

Dear Parents/carers

Good Afternoon, I hope you are all well and want to thank you for your continued efforts in supporting your child towards the SATS. The SATS will be starting on May 8th, it is extremely important that your child attends school at this time.

We will be running a breakfast club for all the Year 6 children. This will be at 8am every morning so that we can get them in, and relaxed before the SATS start. We will provide breakfast such as toast and offer cereal but can you let us know if your child does eat at home. We want to create a buzz next week and give the children the best possible chance to show how amazing they are.

Unfortunately, they do not assess how awesome your child is in other aspects apart from Maths and English but we know they are. Your child has worked extremely hard this year preparing for the SATs. Please do not pressure them this weekend but give them the chance to chill and do their own revision. They will need some fresh air. I will provide homework as normal for them to complete to aid them over the weekend.

On top of this I have decided to run a 'revision club' on Monday, Tuesday and Wednesday after school. This will be from 3-4. They will be able to ask me any questions but it will be for them to revise for the following day, under no pressure from any adults.

Thank You

Mr Stewart
