NEW GARDEN AREA

Thorplands Academy have been awarded a substantial amount of money to develop the area outside Year 5/6

The garden area outside Year 5/6 is being redeveloped THIS WEEK!! An external company will be clearing away all the stuff that is currently there (we will keep the few things worth keeping). This will obviously cause a bit of disruption – especially for Years 5/6. Sorry, but it will be well worth it.

We are looking at relocating the bike stand to near the loose parts area.

The garden will have a decking area where there is currently grass, and some artificial turf where there is currently paving.

How exciting! Please do ask if you have any questions or thoughts about it.

REMINDER

Please keep in mind that you are responsible for your children before school opens, unless they attend breakfast club, and after school when they have been dismissed by their teacher. You are responsible for keeping them safe and responsible for your child's behaviour, during out of school hours.
